HIGHWAYS UPDATE

Potholes filled in Oaks Lane and on B4222 by Village Hall.

Potholes to be reported on C1281 (Lea Line), Acacia Lane (UC70223), Sparrow Lane (UC70226). Also reminder about bridge at Barrel Lane junction and pothole between church and Barrel Lane.

It was suggested that we write to Balfour Beatty requesting contact details for contractors employed to do hedge cutting.

NEIGHBOURHOOD DEVELOPMENT PLAN

At the last meeting a vote was taken to decide which consultant the Steering Group wished to appoint. David Nicholson was the preferred choice. Mrs Askew proposed he be appointed, Mr Harding seconded. All in favour.

Preparations are being made for the Open Day on Saturday 28th March.

CLIMATE CHANGE CONFERENCE

The councillors who attended found this event very interesting, but it was difficult to determine how the Parish Council could become actively involved. The information will be presented at the NDP Open Day and ideas and suggestions from this can be pursued.

TRAFFIC CALMING

Measures suggested by Ray Wallace were discussed. It was decided to lobby parishioners about what they were prepared to spend money on, as this would affect next year's precept.

DATES OF NEXT MEETING - Monday 2nd March
Monday 6th April
